

HONOR YOUR GRADUATE

Parents/Guardians/Families of Graduating Seniors have the opportunity honor their senior by donating to the cost of the **Senior Showcase** and/or providing a **Book** for the **SLOHS Library** in the senior's name.

The Senior Showcase is a tradition at SLOHS. This end of year celebration is held at the **Performing Arts Center at Cal Poly University.** As costs continue to rise and budgets are stretched, we would greatly appreciate consideration of a donation to offset the cost of the remarkable venue. You may use the form below or go online to the SLOHS web store, <https://slohsstore.myschoolcentral.com>, to donate. *There will also be a donation table, in the lobby, on the day of our Senior Showcase if you would prefer to make a donation then.

Additionally, families have the opportunity to donate a book to the **SLOHS Library** in honor of a graduating senior. You may choose a book or allow the librarian to add a book to the collection. A book-plate will be placed in the front of the book denoting the honoree's name, year of graduation, and the name of the donor. Again, you may use the form below to donate or visit the web store (<https://slohsstore.myschoolcentral.com>).
