*From the Khan Academy website www.khanacademy.org
“A free world-class education for anyone, anywhere.”*

STUDENTS can make use of an extensive video library (2,700+ videos), practice exercises, and assessments from any computer with access to the internet.
COMPLETE custom self-paced learning tool. A dynamic system for getting help. A custom profile, points, and badges to measure progress. Complete with game mechanics.

COACHES, PARENTS, and **TEACHERS** have unprecedented insight into what their students are learning and doing on the Khan Academy.
ABILITY to see any student in detail. A real-time class report for all students. Better intelligence for doing targeted interventions.

- ◆ *Each video is just 10 minutes long*
- ◆ *Allows student to practice math at your own pace!*
- ◆ *Every time you work on a problem or watch a video, the Khan Academy tracks what you've done—you get to see and use your own data and watch your own mastery*
- ◆ *TEACHERS can access their student's data to determine what skills are not yet learned*
- ◆ *Use technology to free up teacher time so educators can coach students while they learn!*
