

San Luis Obispo High School Sober Grad Night Committee

Sponsored by the Parents Committee for the Class of 2006

Dear Community:

Please take part in one of the most significant celebrations in a high school graduates life – San Luis Obispo High School Grad Night 2006. Grad Night is a safe and sober celebration for graduates organized and funded solely by parents, community members, supportive San Luis Obispo businesses and grants from San Luis Obispo County and city governments.

Statistically, high school graduation night is the most dangerous evening in a young adult's life. Since the inception of San Luis Obispo High's Sober Grad Night, we have been very successful in keeping our graduates safe.

The 2005 Grad Night was a tremendous success with 85% of SLOHS graduates in attendance. Last year with the generosity of our parents and local business community, we raised over \$15,000 to put on this fantastic event.

This year, Grad Night will be held on June 16, 2006 from 9:30 until 5:00 a.m. There will be entertainment, food, games, prizes and much more. This all-night party requires a tremendous amount of work and huge commitment from parents, educators and members of our community.

We would like to count on your contribution to help us make Grad Night possible. Please help us secure a safe graduation celebration for our students by becoming a sponsor of SLOHS Grad Night 2006.

For your convenience, a Grad Night Sponsorship form is included on the back of this letter. Please show your support by mailing the form and your check back to us today. If you have any questions or would like more details, please contact us.

Thank you for helping to keep Graduation Night safe, sober and fun for the San Luis Obispo High School Graduating Class of 2006.

Sincerely,

Grace Washer
