## IV. Email the application and transcript to : [deborah\\_wulff@cuesta.edu](mailto:deborah_wulff@cuesta.edu)

Please add "**Scholarship**" to the subject line. **DEADLINE: March 1, 2017**

This year, the Rotary Club of San Luis Obispo Daybreak has received a grant of \$5,000 for scholarships for students pursuing degrees in Science, Technology, Engineering & Mathematics (STEM). These scholarships are funds are provided specifically for those pursuing STEM education. Two scholarships of \$2,500 each will be awarded to the selected students. We hope to receive at least five applications from students.

Please ask your students that are planning education in these fields to submit a scholarship application that specifies their intentions to major in one of these fields and a description of why they have decided to do so; also what there long term goals are.
