

2017-18 SLOHS Registration Directions

Registration opens March 13th and closes March 24th at 4:00 p.m.

Course Selection Directions

Step 1: Go to our SLOHS website: slohs.slcusd.org

Step 2: Click on the PowerSchool icon and Log on to your PowerSchool Account

Step 3: Click on the icon with the chair and pencil that reads “Class Registration”. This will open the screen where you will select your classes.

Step 4: Once you have selected “15 classes and 4 alternate classes”, click on “SUBMIT”. If you do not click on “SUBMIT”, your course selections will not be saved. You may return to the course selection screens to make changes at any time between today March 13th and Friday, March 24th; however, you must click submit each time you make changes.

Step 5: Print your course selections before logging out of PowerSchool.

Step 6: Return the printed copy of your course selections with a parent signature to your 2nd period teacher no later than March 24th. Once your counselor receives this printed copy of your course selections, she will review your submitted information for accuracy.

Important Information

- SLOHS Course Offerings Booklet and Condensed Grade Level Course Offerings Sheets are available on SLOHS’s website (see front page).
- You may make an online request to see your school counselor AFTER Friday, March 24th through SLOHS website if you have any questions or concerns regarding your course selections. You must have completed this process, to the best of your ability, prior to making a request to see your counselor.
- Counselors will review your course selections for accuracy.
